

CHÂTEAU DE L'HOSPITAL

Vintage 2020

Area: 9 hectares

COMPOSITION

70 % Merlot, 20 % Cabernet-Sauvignon, & 10 % Malbec

DENSITY

5 500 plants/ha

YIELD

17 hectoliters/ha

HARVESTING

The Château de L'Hospital grapes were mechanically harvested from September 27 to October 7, 2021.

WINEMAKING

The grapes are destemmed and crushed before being placed in temperature-controlled concrete troncopyramid vats. Vatting lasts from 15 to 21 days.

MATURATION

Merlot and Cabernet-Sauvignon are aged separately in 300-liter French oak barrels, 2 and 3 years old. The Malbec is aged in stainless steel tanks. Aging lasts 12 months.

OEIL

Ruby-red color.

NEZ

Expressive nose of ripe red fruit with toasty, spicy notes.

BOUCHE

On the palate, a supple attack reveals lovely fruit, a silky finish with mellow tannins.
