80% Sauvignon blanc & 20% Sémillon

DENSITY

5 500 plants/ha

YIELD

20 hectoliters/ha

HARVESTING

Harvesting is partly done by hand in the cool of the morning.

WINEMAKING

Musts are extracted by pneumatic pressing and then fermented at 20° to preserve aromas; 50% in vats & 50% in barrels.

MATURATION

Aged on lees for 9 months.

EYE

Pale yellow color with brilliant reflections.

NOSE

Expressive nose with notes of exotic fruit and pineapple, embellished by the scent of jasmine blossom on the second nose.

MOUTH

On the palate, a fleshy, highly expressive wine with refreshing citrus notes. The balance and complexity of this blend leave a fresh finish.
